

Items for Personal Use

Parents will be provided with a list of Personal use Items that their child will require for 2017. We encourage parents to give consideration to supporting a local supplier.

The school has made a concerted effort to contain costs to a reasonable amount.

Children need to have the items listed in their possession each school day in order to maximise participation in the learning opportunities/activities presented. It may be necessary to replace some items such as pencils throughout the year.
