ENROLMENT PACK
(for enrolment in a Western Australian public school)

The Enrolment Pack comprises:

Part A – Application for Enrolment
(Includes information about applying for Enrolment in a Western Australian public school and the Application for Enrolment Form)
Documents which need to be supplied or sighted by the school are listed on the form.

Part B – Enrolment
(Includes Parent information about enrolment in a Western Australian public school and the Enrolment Form)
Enrolment in a public school is a two step process.

**Step 1: Application for Enrolment**
Parents lodge an Application for Enrolment Form with the school.

**Step 2: Enrolment (includes Parent information about enrolment in a Western Australian public school and the Enrolment Form)**
If your child is eligible for enrolment, you will be provided with Parent information about enrolment in a Western Australian public school and you will be required to complete an Enrolment Form.

The school will notify you of the results of your application as soon as possible. The information you have provided will be used by the school once eligibility is confirmed.

Documentary evidence, including court orders relating to your child, may be required to support information supplied. Principals may consult with the Education Regional Office where sufficient evidence has not been supplied. All official records must be in the child’s legal name. The use of a preferred name may be possible for informal communications.

The Department’s Enrolment Policy can be found at [http://www.det.wa.edu.au/policies](http://www.det.wa.edu.au/policies).

### Who can enrol a child?

Enrolment applications can be lodged by:
- Parents, defined in the School Education Act 1999 as persons who at law have responsibility for the long term care, welfare and development of the child; or the day-to-day care, welfare and development of the child;
- Independent minors; and
- Persons aged 18 years or older who may apply on their own behalf.

The school may require documentary evidence in support of the application. A person with proper authority to make the application must provide the required information. The school is not required to determine whether another parent or person with authority concurs with the lodging of the application or the information included in it.

If there is a dispute between parents or authorised persons about the enrolment or one party requests or has enrolled the child at a different school, then the schools involved should endeavour to maintain the original enrolment and continuity of the child’s schooling unless it is clearly not in the child’s educational interests to do so, is not possible, or has been determined otherwise by a court. For further information see Frequently Asked Questions (FAQs) in the Enrolment Policy, under Related Information.

### Who can be enrolled?

Permanent Australian residents and those children holding an approved visa subclass are entitled to be enrolled, although not necessarily at a particular school unless the school has a ‘local-intake area’ (refer section Applications to local-intake schools (compulsory years of schooling) below). Those overseas students who do not have an entitlement to enrol in a public school may be enrolled on a full fee paying basis under conditions which the school will outline.

In establishing a usual place of residence, the Residential Parks (Long-stay Tenants) Act 2006 recognises any agreement conferring the right to occupy premises for a fixed term of three months or longer. Short term residential arrangements can be accepted in cases such as recent arrival in the State, residences in boarding houses and caravan parks, or homelessness.

Schools may not enrol children who are:
- receiving home education; or
- applying to enrol at another school; or
- enrolled at another Kindergarten (public or private), unless transferring.

The principal may consider whether a child may attend for a short period (s 75(2) School Education Act 1999) and may consult with the school in which the student is already enrolled before a decision about attending is made. Attendance for more than four weeks requires that the student relinquish enrolment at the school in which the student is already enrolled.

### Requested documentation

You will be asked to show your child’s Birth Certificate (original or certified copy) or birth extract or equivalent identity documents; your child’s ‘Immunisation Certificate’; usual place of residence: for example utilities account, lease agreement of at least three months, proof of ownership of property, driver’s licence, statutory declaration, copies of any Family Court or other court orders, and visa details (if applicable) - Principals may accept a maximum of 3 documents as evidence of residential address.

Once the application has been accepted, you will be required to complete an Enrolment Form and submit it to the school (refer to the Enrolment Pack Part B – Enrolment). If your Application for Enrolment is not accepted, you will be advised in writing within three weeks of the advertised closing date for applications.

Parent information about applying to enrol in a Western Australian public school

Thank you for your interest in applying to enrol your child in a Western Australian public school.

**Step 1**: Application for Enrolment
Parents lodge an Application for Enrolment Form with the school.

**Step 2**: Enrolment (includes Parent information about enrolment in a Western Australian public school and the Enrolment Form)
If your child is eligible for enrolment, you will be provided with Parent information about enrolment in a Western Australian public school and you will be required to complete an Enrolment Form.

The school will notify you of the results of your application as soon as possible. The information you have provided will be used by the school once eligibility is confirmed.

Documentary evidence, including court orders relating to your child, may be required to support information supplied. Principals may consult with the Education Regional Office where sufficient evidence has not been supplied. All official records must be in the child’s legal name. The use of a preferred name may be possible for informal communications.

The Department’s Enrolment Policy can be found at [http://www.det.wa.edu.au/policies](http://www.det.wa.edu.au/policies).

**Who can enrol a child?**

Enrolment applications can be lodged by:
- Parents, defined in the School Education Act 1999 as persons who at law have responsibility for the long term care, welfare and development of the child; or the day-to-day care, welfare and development of the child;
- Independent minors; and
- Persons aged 18 years or older who may apply on their own behalf.

The school may require documentary evidence in support of the application. A person with proper authority to make the application must provide the required information. The school is not required to determine whether another parent or person with authority concurs with the lodging of the application or the information included in it.

If there is a dispute between parents or authorised persons about the enrolment or one party requests or has enrolled the child at a different school, then the schools involved should endeavour to maintain the original enrolment and continuity of the child’s schooling unless it is clearly not in the child’s educational interests to do so, is not possible, or has been determined otherwise by a court. For further information see Frequently Asked Questions (FAQs) in the Enrolment Policy, under Related Information.

**Who can be enrolled?**

Permanent Australian residents and those children holding an approved visa subclass are entitled to be enrolled, although not necessarily at a particular school unless the school has a ‘local-intake area’ (refer section Applications to local-intake schools (compulsory years of schooling) below). Those overseas students who do not have an entitlement to enrol in a public school may be enrolled on a full fee paying basis under conditions which the school will outline.

In establishing a usual place of residence, the Residential Parks (Long-stay Tenants) Act 2006 recognises any agreement conferring the right to occupy premises for a fixed term of three months or longer. Short term residential arrangements can be accepted in cases such as recent arrival in the State, residence in boarding houses and caravan parks, or homelessness.

Schools may not enrol children who are:
- receiving home education; or
- applying to enrol at another school; or
- enrolled at another Kindergarten (public or private), unless transferring.

The principal may consider whether a child may attend for a short period (s 75(2) School Education Act 1999) and may consult with the school in which the student is already enrolled before a decision about attending is made. Attendance for more than four weeks requires that the student relinquish enrolment at the school in which the student is already enrolled.

**Requested documentation**

You will be asked to show your child’s Birth Certificate (original or certified copy) or birth extract or equivalent identity documents; your child’s ‘Immunisation Certificate’; usual place of residence: for example utilities account, lease agreement of at least three months, proof of ownership of property, driver’s licence, statutory declaration, copies of any Family Court or other court orders, and visa details (if applicable) - Principals may accept a maximum of 3 documents as evidence of residential address.

Once the application has been accepted, you will be required to complete an Enrolment Form and submit it to the school (refer to the Enrolment Pack Part B – Enrolment). If your Application for Enrolment is not accepted, you will be advised in writing within three weeks of the advertised closing date for applications.
Eligibility to enrol in a particular school

The only guaranteed place in a public school is if you live in the local-intake area of that school. Enrolment in a particular primary school does not guarantee a place at a specific secondary school.

Applications to transfer from another school

Decisions about the enrolment of your child into a specific year of schooling and/or the educational program will be based on age eligibility, as well as the child’s level of previous schooling, achievement levels and identified needs.

If you are applying for the following year, you will be advised in writing about your application within three weeks of the closing date for applications (that is after the end of the first week of Term 3). If you are applying for the current year, you will be advised in writing as soon as possible.

Once the application has been accepted, in addition to the Enrolment Form you will also need to supply evidence of your child’s progress from the previous school. This can be in the form of reports, records or samples of work.

If your child has gained enrolment from outside the local-intake area into a specialist program, any siblings cannot be guaranteed enrolment to the same school.

Kindergarten

The Western Australian Government fully funds Kindergarten for age-eligible children in public schools and supplements the cost of Kindergarten in Catholic and independent schools. Children may be enrolled in Kindergarten in one school only, either public or private.

Disclosure of information

For parents of students with disability
In order to provide an appropriate education program the school may require specific information relating to your child’s disability and personal needs to enable the school to make any necessary teaching and learning adjustments. The school may also use the information you provide when applying for specialist resources or services and/or supplementary funding to support your child’s education.

Suspensions and exclusions
Information on any suspensions and exclusions needs to be provided to the school at the time of applying to enrol. This information will help the school to provide your child with any support that may be required.

Children currently under suspension from a public school cannot be enrolled at another public school until the suspension period expires.

Children who have previously been suspended or excluded from a public school may be required to enter into a behaviour agreement with the school if enrolment is accepted.

Confidentiality

All information provided on this form will be treated confidentially. Section 242 of the School Education Act 1999 precludes this information from being used for any purpose other than: to determine whether your application for enrolment can be accepted; to assist the school with addressing any needs for your child if enrolment is accepted; and to comply with legal requirements or ministerial directions.

Disputes

Should you disagree with a school’s advice regarding your application for enrolment please contact the principal in the first instance. The Coordinator Regional Operations at your Education Regional Office can provide advice if a concern has not been resolved. Information about formal disputes can be obtained from the school, the Education Regional Office or the Department’s Enrolment Policy which can be found at http://www.det.wa.edu.au/policies.
