Learning Journey – Thank you to all the parents who were able to attend our open night this week. It was fantastic to see how many of you came to share in the learning experiences with our students.

Assembly – The next assembly will be Friday 15th September, hosted by the Year 5 students. The assembly will commence at 2:15pm in the Common Room.

Year 6 Classroom: We would like to say a fond farewell to Mr Edward Melville who will be finishing up this week and moving to Albany to teach at Albany Primary School. We thank Mr Melville for his extensive contributions to the school over the last few years and wish him well. Miss Melanie Joyce will be joining us from this coming Monday. Welcome Miss Joyce!

Year 8 & 9 Camp: Year 8 and 9 students will be on camp next week with Mr McDonald and Miss Johnston.

Year 4 Camp: Year 4 students will be attending an overnight camp at the zoo Thursday 14th September and coming back the following day.

P&C – The P&C Committee on Monday night met primarily to discuss the canteen situation and the playground. With regards to the playground, the P&C will be committing funds to the construction of a nature playground area in the upper primary with construction expected in Term 4. Narelle Cussons is to be thanked for working tirelessly to secure additional funding via grants in addition to organising the potential structures that will go in. More details of the structures and words of thanks to financial contributors will go into the Week 10 newsletter.

Canteen: The P&C decided Monday night that the Canteen operating days will continue as normal until further notice. The canteen menu has been altered and new prices will take effect from this coming Monday the 11th September. A new menu will be coming home tomorrow and will be added to our Website, School App and Facebook.
