Carnival: Thank you very much to everyone who was able to come and celebrate in our Athletics Carnival this year. A special thank you goes out to all the students, staff, parents and community members who contributed to the organisation of the event. Behind the scenes Marcelle Howe has done a fantastic job of ensuring the administration of the carnival ran smoothly and we thank her immensely for her efforts.

Inter-School Athletics: Inter-School Athletics will be held at Wagin on the 27th October. Parents who have received a form are reminded the due date is Monday the 23rd October.

Swimming: Permission forms and required information regarding swimming for the Pre-Primary to Year 2 students will be coming out next week. Swimming is scheduled during Week 8 and 9 of this term.

Assembly: The next assembly will be Friday 3rd November, hosted by the Year 1.2 students. The assembly will commence at 2:15pm in the Common Room.

Kindy Orientation Session: Our term 4 official Kindergarten Orientation for Kindy students in 2018 has been moved forward to Week 5, 6th November from 9:30am to 10:30am. There will be an official invite coming out shortly.

Year 6 Camp: There will be an expression of interest note with tentative costing for the camp coming out in the next few days. If you can return this form to school as soon as possible it would be appreciated. At this point we are seeking the expression of interest to ensure the camp's viability and also final costing.

Playground Construction: Starting Monday 23rd October we will be constructing a new nature playground for our upper primary students. This will be adjacent to the existing coloured plastic and steel equipment in the area where our cubbies are. The project is expected to take four to five days and so will see the play area cordoned off for the full week for students. As there will be machinery moving into and around this area it will also mean that there will not be vehicle access to the space immediately behind the Pre-Primary building and vehicles will need to stop and park before the large water tank. There will be a marked path for staff and parents to walk on to gain access to the classroom.

Year 9 Parent Meeting: All Year 9 parents should have received a letter inviting them to a parent meeting Wednesday 1st November at 3:10pm. Please join us to hear how your child's teachers are approaching the task of preparing our students for Year 10, 11 and 12 through VET or ATAR and then beyond.
