School Crossing

It has come to our attention that some of our younger students are taking "risks" whilst crossing the roads on their way to and from school. Can you please take the opportunity to talk to your children about road safety and road sense and their role and responsibility when near or crossing the roads. We have and will continue to address this at our Monday Morning Assemblies but back up from home giving the same message will hopefully eliminate any chance of future accidents. Your support here will be greatly appreciated.
